*“ When you experience
something good, it’s inspiring;
but when it’s able to touch
your heart, that’s amazing ”*

*Break free and show the world
who you are with the*

PROTON X50

**INTELLIGENCE
THAT AMAZES**

S STYLISH DESIGN

“ Designed to stand out and crafted to leave a lasting impression, the PROTON X50 offers styling that pairs a sleek silhouette with sporty accents to make a bold statement ”

Dual Tone Exterior

Contrasting colours create a head-turning, stylish look

Full LED Headlamps
Enjoy clear views of the road ahead, no matter the weather conditions

18" Alloy Wheels
Turbine inspired design adds a dynamic touch

Quad Exhaust Tailpipes
Chromed exhaust tailpipes add a sporty finish

Front Welcome Lamps
Lights the way to the vehicle when you unlock it

LCD Meter Combination
Full colour display highlights the information you need at a glance

Floating Floor Console
Intelligently designed to offer additional storage space

Panoramic Sunroof
Catch a breath of fresh air or open up to experience the world from where you are

Dual Tone Interior

For a modern contemporary appearance that exudes a sporty feel

POWERFUL PERFORMANCE

“ The PROTON X50 was engineered to amaze with class leading performance matched to efficient fuel economy ”

1.5L TGD Engine
The perfect balance of performance and efficiency with 177PS of power and 255Nm of torque

7-Speed Dual Clutch Transmission with Manual Mode
For faster, smoother and more efficient gear shifting

Steering Mode Selection
Normal, Comfort or Sport mode for a more personalised driving experience

Drive Mode Selection
Choose between Normal, Eco or Sport mode to suit your driving style

Auto Brake Hold
Automatically keeps the brake engaged once you come to a complete stop

Remote Engine Start
Warm up the engine and cool down the cabin before entering the vehicle

Advanced Driver Assistance System (ADAS)

Advanced safety system with radar, cameras and sensors to look out for what you may miss and react accordingly to keep you and your loved ones safe

*ADAS safety features are not a substitute for safe and attentive driving
Driver remains responsible for safe vehicle operation at all times

OUTSTANDING SAFETY

“ With safety at its core the PROTON X50 offers a host of advanced safety features that detect and prevent imminent danger designed to keep you and your passengers safe ”

Autonomous Emergency Braking (AEB) and Forward Collision Warning (FCW)
Automatically brakes the vehicle to reduce the risk of injuries in potential frontal collisions

Adaptive Cruise Control (ACC) with Stop and Go
Maintains safe distance from the vehicle ahead, up to the pre-set cruise control speed, even in stop and go traffic

Intelligent Cruise Control (ICC)
Works with ACC to provide steering assistance to keep your vehicle in the centre of the lane

6 SRS Airbags
Deploys during a collision to protect and reduce the risk of injury

Electronic Stability Control (ESC)
Improves vehicle stability in varying road and weather conditions by reducing understeer or oversteer

Tyre Pressure Monitoring System (TPMS)
Monitors real-time tyre pressure and temperature to provide peace of mind

Lane Keep Assist (LKA)
Actively keeps your vehicle in the lane

Lane Departure Warning (LDW)
Sends an alert when the vehicle unintentionally begins to drift out of the lane

Blind Spot Information System (BLIS)
Monitors blind spots and alerts you when vehicles are nearby

Intelligent High Beam Control (IHBC)
Automatically switches between low and high beams when there are oncoming or other vehicles nearby

Auto Park Assist (APA)
An intelligent and convenient self-parking system to help you ease into parking spots

360 Camera
Get a bird's eye view of your surroundings as you park the vehicle

REVOLUTIONARY CONNECTIVITY

“ Say hello to convenience and open up a new world of endless possibilities where you can take charge of your drive using your voice to stay in control, entertained and informed on the go ”

10.25" Infotainment Head Unit
Floating touchscreen monitor that puts all your needs at your fingertips

Voice Command
Say "Hi PROTON" to gain control over your windows, air-conditioning, online navigation, online music streaming and more

Remote Control via PROTON Link App
Remotely monitor and control specific functions of your vehicle such as starting the engine and controlling the air-conditioning

Online Navigation
GPS Navigation that offers traffic alert warnings and driving directions to stay ahead

Online Music Streaming and Weather Forecast
Access your favourite music and get the latest weather updates

Smartphone Connectivity
Mirror-link your Android or iOS smartphone to the IHU for easy access to your favourite apps

3 USB Ports
You and your passengers will ride happy with 1 USB port at the front and 2 USB ports at the rear for convenient device charging

TOTAL COMFORT

“ From its bold design to its refined touches, the PROTON X50’s interior is designed to provide utmost comfort for you and your passengers creating an experience to amaze your senses ”

Driver Power Seat
Adjust your driving position with the touch of a button for optimum comfort

Auto Air-Conditioning
Automatically regulates the cabin temperature to keep all passengers in total comfort throughout the entire journey

Rear Air Vents
Keep your passengers cool and refreshed in the rear seats

N95 Cabin Filter
Removes smoke particulates, dust, bacteria and other pollutants for cleaner air

Auto Rain Sensing Front Wipers
Automatically switches on and adjusts the speed of the front wipers according to rainfall intensity for maximum visibility
